AMENITIES A - Z

As a Honda Center Suite Holder, you will enjoy a wide array of events throughout the year, with exclusive amenities, benefits, and premium experiences including:

Additional Club Level Ticket Offers

Extra Club Level tickets are often available for purchase. For events at which we have extra inventory, an “Extra Ticket Order Form” will be sent to you via email. These offers are available for a short window of time and your request must be received by the Premium Ticketing office by the designated deadline on the digital form. Refer to the “Extra Ticket Order Form” for information regarding when your tickets will be available on your Account Manager.

Anaheim Ducks Playoff Priority

Suite Holders receive their suite tickets for all Ducks home games prior to the start of the Ducks season. For additional playoff tickets, suite holders will have an early opportunity to purchase playoff strips for all Ducks home games.

Annual Suite Passes (ASP)

Suites have 4-6 additional tickets available per event. Those that are purchased on an annual basis are referred to as Annual Suite Passes (ASPs). For all Ducks games, ASPs are included in your ticket booklet. ASPs are included in the monthly ticket mailing unless your suite is relocated due to sightlines. The number of ASPs available depends on the capacity of your suite.

Please remember that each guest in a suite must have the appropriate ticket for that suite. Children two years and older are required to have a ticket for admittance.

Annual Suite Tasting

At the beginning of each Ducks season, Honda Center hosts a tasting event at the building for suite administrators to sample new menu items and wines that will be available for in-suite dining during the upcoming season.

Cash to Card Kiosks

To ensure quick and contactless transactions, only cashless payment methods are accepted. All major credit, debit, and mobile payments are accepted throughout Honda Center, including parking, concessions, restaurants, box office, and merchandise locations. Cash-to-card machines are available throughout Honda Center to convert cash to a card for a fee. Cash is no longer accepted.

Company Logo on Ducks Tickets

Suite holders have the option to have their company logo on their physical suite tickets. Prior to the Ducks season, the servicing team will reach out to the main contact on your account to coordinate. Note that due to publishing timelines, this is only valid for suites who provide the information by the provided deadline.

SUITE INFORMATION

Capacity

Each suite is labeled on the front door with the maximum guest capacity. This number includes the amount of Annual Suite Passes (ASPs) or Standing Room Only tickets (SROs) that may be purchased for each individual suite. Please know that capacity cannot go beyond the number posted on the front door and that all guests in a suite must be ticketed for that particular suite.

Cleaning and Maintenance

Our housekeeping crew cleans each suite after events. They are also available for immediate issues (clean spills, empty trash, etc.) during events. All arena-owned furniture and fixture maintenance is the responsibility of Honda Center. The arena's Operations Department performs ongoing preventative maintenance checks.

If a housekeeping or maintenance problem occurs during an event, please contact the Arena Operator by dialing 0 from your suite's telephone or alert your suite attendant. Should you have an issue you would like addressed prior to an event, contact the Manager, Premium Services.

Damage to Suites

As a suite holder, you are responsible for replacing any items in the suite that are damaged intentionally or as a result of an accident. You will be billed for any damages that occur to the fixtures and/or furnishings that are not incurred through normal wear and tear.

Extended Usage

Suite guests are permitted to remain in their respective suites up to 45 minutes after the conclusion of an event. This policy is subject to change on days when the building hosts multiple events.

Flat Screen Televisions

Each suite is equipped with a television and remote control. Televisions have access to limited in-arena events as well as select local and cable stations. For events which are considered "dark" in which all lighting is out in the arena (concerts for example), you will experience a blackout of televisions. This occurs at the request of the event's promoter or artist and the televisions are temporarily unavailable for the duration of those performances.

Remote controls have been provided in each suite. Should your remote go missing, please know that there will be a \$75.00 replacement fee.

Food and Beverage

Glass bottles and cans may not leave the suite. Although your suite refrigerator may be stocked with beverages in glass and plastic bottles and/or cans, we ask that you pour your beverage into a disposable cup when walking the concourse or sitting in the front balcony seating area of your suite. Disposable cups are provided in each suite. Absolutely no alcoholic beverages can leave the building.

SUITE INFORMATION

Glassware

Glassware of any kind is not permitted in the suites. Honda Center Suite Catering will provide upscale plasticware for your food and beverage needs. With prior approval from the Manager, Premium Services, Suite Holders are permitted to bring in plastic cups and napkins inscribed with your company logo.

Keys

One set of keys for each suite are provided to the Suite Holder. The set consists of one (1) key to the liquor cabinet and one (1) refrigerator key. Additional keys may be ordered through the Manager, Premium Services at a nominal fee.

Leaving the Suite

When you are ready to leave an event, you may contact the suite kitchen to request a suite attendant to lock the refrigerator, liquor cabinet, and doors. If you are temporarily leaving the suite and plan to return, be sure to take your ticket with you to ensure re-entry.

Relocation (Concerts, Theater Events, etc.)

The event promoter and the Premium Ticketing office work closely together to determine accurate sightlines for our suites. Depending on stage design and configuration, speaker and prop location, some suites may have an obstructed view of the stage for certain events. Suites that are impacted by obstructed views are determined by the show and promoter on an event-by-event basis. For events in which a suite is relocated, please be aware of the following:

- Guests have access to the suite for most events prior to the performance, occasionally during intermissions and up to 45 minutes after an event. Guests should take their relocated seats no later than ten minutes prior to the scheduled start time of the event. Please take this into consideration when ordering food and beverage from the suite attendant. Failure to leave the suite in a timely manner may cause the promoter to delay the event and could result in eviction from the building.
- A curtain system is often used to drape the outside of relocated suites due to the view of the backstage area. Please do not go outside the barstool areas of a relocated suite. It is crucial the backstage area is not in view.
- Standing Room Only tickets (SROs) may not be ordered for events in which your suite is relocated.
- If you have purchased your suite's annual ASPs, please know that whenever your suite is relocated, your ASP tickets will not be included.
- Every effort is made to pre-determine the stage set-up months prior to the event. Occasionally the sightlines are better than originally thought and, in those cases, you and your guests may opt to sit in the suite with the expressed permission of the event promoter.
- Occasionally the promoter may change stage backdrops, sound, and lighting systems at the last minute, which may impact your view. As this information is made available, the Premium Ticketing office will notify you as promptly as possible. In cases in which guests need to be relocated out of a suite for a better view of the stage, our Box Office and Premium Ticketing office will work together to get you the best seats available.

SUITE INFORMATION

Suite Personalization

Please contact the Manager, Premium Services with a detailed description or photograph of the items to be placed in the suite. Anaheim Arena Management and Anaheim Ducks Hockey Club must approve Suite décor prior to installation. When the items are approved, you will be expected to make arrangements for installation by a licensed contractor. (Upon termination of the suite contract, the suite is to return to its original status.) The upkeep of those items is the responsibility of the suite holder.

Please contact the Manager, Premium Services to make arrangements for posting your company logo in your suite. Honda Center works with a “preferred” sign company who does excellent work at competitive prices. However, you are welcome to use an outside sign company as long as we are provided with a certificate of their insurance.

Telephone

Your suite extension (for internal calls) is posted on the phone, in addition to important extensions within the arena. Should your phone be inoperable, please notify your suite attendant or the Manager, Premium Services for quick repair.

Troubleshooting

If a problem arises at any time during a visit to Honda Center, please notify a suite attendant or the Concierge. Event staff is on duty to assist in any situation.

Should a problem pertain to food and beverage, contact the suite kitchens from the telephone inside your suite. If you are on the Pacific Premier Bank Club Level, contact **(714) 704-3117**. If your suite is on the Plaza Level, contact **(714) 704-3167**.

For medical emergencies, please dial "0" for the Arena Operator. Emergency Medical Technicians are on site for every event. First Aid is located on the Plaza Level across from section 216 and can be reached by calling **(714) 704-2641** from your suite phone.

Uninvited Guests

If you suspect there may be an uninvited guest in your suite (guest without a proper ticket), feel free to inform your suite attendant or dial the Operator at “0” from your suite telephone. Uninvited suite guests may be subject to eviction from Honda Center.

Guests with dinner reservations at the Jack Daniel's Old No. 7 Club may enter through the Southeast Entrance prior to the building's official opening time. The doors to Honda Center open either 60 or 90 minutes prior to an announced event starting time. Please be sure to check the website at www.hondacenter.com for times.
